The United Nations Global Counter-Terrorism Strategy

United States of America:* amendment to draft resolution [A/80/L.82](#)

The United Nations Global Counter-Terrorism Strategy: ninth review

1. In operative paragraph 122, replace “eighty-third session, no later than February 2029” with “eighty-second session, no later than December 2027”.
2. Replace operative paragraph 123 with the following text:

Notes with concern that successive reviews of the Strategy have produced redundancy that no longer reflect a coherent or strategically prioritized framework, calls upon the President of the General Assembly to appoint co-facilitators no later than one year in advance of the tenth review, with a clear, time-bound mandate and formal workplan – including defined milestones and thematic working sessions – to lead an inclusive, Member State-driven process aimed at eliminating redundancies across the pillars of the Strategy and producing a streamlined, substantively reformed resolution text; calls upon relevant United Nations entities, consistent with the Secretary-General’s UN80 Initiative and the strategic plan of the Office of Counter-Terrorism for 2026–2028, to improve organizational effectiveness by eliminating outdated or duplicative programmes, establishing and reporting against performance benchmarks, consolidating support functions, and strengthening strategic communications, and to report on progress by 28 February 2027; and decides to include in the provisional agenda of its eighty-second session the item entitled “The United Nations Global Counter-Terrorism Strategy” in order to undertake, by June 2028, an examination of the report of the Secretary-General requested in paragraph 122 above, as well as of the implementation of the Strategy by Member States, and to consider updating the Strategy to respond to changes.

* Any changes to the list of sponsors will be reflected in the official record of the meeting.
